INVESTMENT UNIVERSE AND INVESTMENT OBJECTIVE

The Fund invests worldwide in future-oriented companies with structurally expanding business models. Its thematic investment objective is to outperform the MSCI World Index in euro. Individual companies are analysed using a bottom-up approach with a focus on long-term growth potential. The concentrated and actively managed portfolio holds between 30 and 40 single stocks. Positions are bought with a very long investment horizon of more than five years. The Fund does not hedge equity exposure.

Risk indicator¹⁾

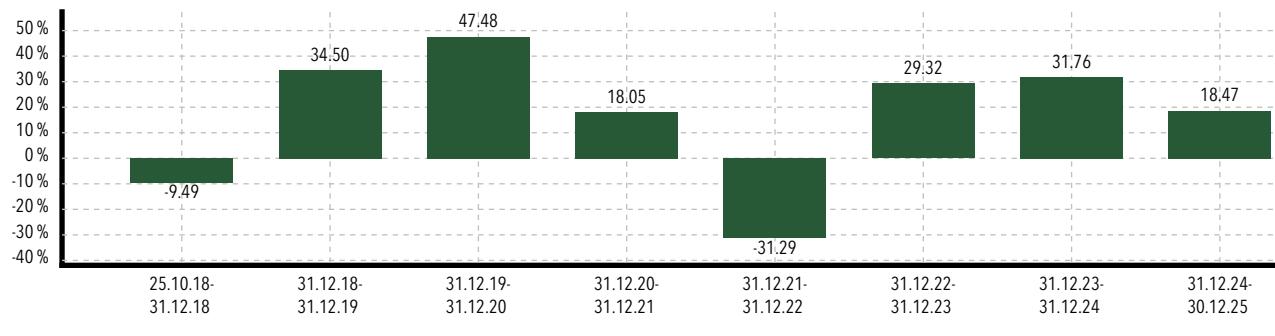

SRI (Summary Risk Indicator) scale from 1 (lowest risk) to 7 (highest risk); Risk 1 does not mean a risk-free investment.
This indicator may change over time.

DISCLAIMER

This is a marketing communication addressed exclusively to professional and/or eligible counterparties in accordance with the MiFID II Directive (2014/65/EU).

This marketing communication is for information purposes only. It may not be passed on to persons in countries where the fund is not authorized for distribution, in particular in the USA or to US persons.

The information does not constitute an offer or solicitation to buy or sell securities or financial instruments and does not replace investor- and product-related advice. It does not take into account the individual investment objectives, financial situation, or particular needs of the recipient. Before making an investment decision, the valid sales documents (prospectus, key information documents/PRIIPs-KIDs, semi-annual and annual reports) must be read carefully. These documents are available in German and as non-official translations from ETHENEA Independent Investors S.A., the custodian, the national paying or information agents, and at www.ethenea.com. The most important technical terms can be found in the glossary at www.ethenea.com/glossary.

Detailed information on opportunities and risks relating to our products can be found in the currently valid prospectus. Past performance is not a reliable indicator of future performance. Prices, values, and returns may rise or fall and can lead to a total loss of the capital invested. Investments in foreign currencies are subject to additional currency risks. No binding commitments or guarantees for future results can be derived from the information provided. Assumptions and content may change without prior notice. The composition of the portfolio may change at any time. This document does not constitute a complete risk disclosure.

The distribution of the product may result in remuneration to the management company, affiliated companies, or distribution partners. The information on remuneration and costs in the current prospectus is decisive. A list of national paying and information agents, a summary of investor rights, and information on the risks of incorrect net asset value calculation can be found at www.ethenea.com/legal-notices. In the event of an incorrect NAV calculation, compensation will be provided in accordance with CSSF Circular 24/856; for shares subscribed through financial intermediaries, compensation may be limited.
